FINANCIAL POLICY

This statement is to inform you of our financial policy.

To reduce our administrative costs and keep our fees as low as possible, we must ask that payment, in full, be made at time of services. For larger cases, half is to be paid at first visit with remaining balance when work has been completed. Our office accepts cash, personal checks, Master Card or Visa. Returned checks will be charged a returned check fee of \$25.00.

For your convenience, a payment plan for cases **over \$300.00** is available through **CAPITAL ONE HEALTHCARE FINANCE**. This plan offers interest free payments up to 6 months. For more affordable monthly payments, there are longer payment options available, from 18 – 60 months at low fixed interest rates with **CAPITAL ONE HEALTHCARE FINANCE**. Please ask the receptionist for assistance.

Balances older than 60 days may be subject to collection and/or finance charges at the rate of 1.5% per month (18% annually). Additionally, there will be a charge for appointments cancelled without 24 hours prior notice.

If you have any questions regarding our financial policy, please ask. We pride ourselves on not only working on our patients but with them and are committed to providing you with the most positive experience in dental care.
