

PLEASE READ

INSURANCE PROTOCOL

Dental insurance is a contract between patient, insurance carrier and/or employer. It is important that you understand and know your plan's coverage.

We participate with Delta Dental Premier Plan of New Jersey. Payment for all other plans is expected at the time services are rendered. As a courtesy, we will be happy to submit the claim to your primary insurance company *only*.

We know that in the past, things might have been done differently. However, to keep our administrative costs as low as possible, we ask that all patients cooperate with our *new policy*.

If for some reason your insurance carrier has been billed directly by us and we have not received payment within forty-five (45) days, you will be billed for the entire amount. It will be your responsibility to pay for said services and follow up with your insurance carrier for reimbursement.

Thank you,

Steven P. Dultz, D.M.D.
